2014 National Safety Rest Area Conference

September 29 - October 2, 2014

Asheville, NC

SPONSORS

CREE, INC

Dennis Blansit

Durham, NC 27703

www.cree.com

(800) 236-6800

dennis_blansit@cree.com

Cree is leading the LED lighting revolution and making energy-wasting traditional lighting technologies obsolete through the use of energy-efficient, mercury-free LED lighting. Cree is a market-leading innovator of lighting-class LEDs, LED lighting and semiconductor products for power and radio-frequency (RF) applications. Cree® products are driving improvements in applications such as general illumination, electronic signs and signals, power supplies and solar inverters.

**TWIST & TURNS
MANUFACTURING, INC.**

Cynthia Willis

Roanoke, VA 24016

www.twist-n-turn.net

(540) 985-9513

cynthtwist@aol.com

Every piece of Twist & Turns™ furniture is handmade and we are dedicated to uphold only the highest standards. After the piece is built, it is blasted using steel shot and a zinc-rich primer is applied to the metal followed by a polyester powder coat finish. This time consuming process results in an extremely durable and strong finish that is both rust and fade resistant. Because of this resilient finish our outstanding quality furnishings can be used both indoors and outdoors.

ULTRASITE

Stephanie Devine

Red Bud, IL 62278

www.ultra-site.com

(800) 458-5872

sdevine@playcore.com

Our signature UltraCoat thermo-plastic coating makes our products durable, comfortable, and low maintenance. 100% RECYCLED PLASTIC is part of the UltraSite Advantage that provides responsible resource management. We focus on reducing pollution and waste production to save the environment for future generations.

WAUSAU TILE

Brett Lynch

WAUSAU, WI 54402

www.wausautile.com

(715) 359-3121

wtile@ausautile.com

Ed Creske, founder of Wausau Tile, once said, "There are four key elements to any type of business; quality, service, common sense and loyal employees". A true success story; from a terrazzo contractor's hard work and dreams evolved a thriving business, occupying 450,000 square feet and employing over 340 people. Today his son Bill and the entire Creske family, Wausau Tile has risen to the forefront of manufacturing in the concrete and terrazzo industry, shipping worldwide, the most unique and diverse products imaginable.
